When your life is full of doubt, when it seems there's no way out,  
When it seems you've had e-nough, and you drift in wa-ters rough,  
Just like Jo-nah in the whale, ran from God to no a-vail;

3

when safe har-bors dis-a-pppear. On-ly God can un-der-stand.  
draw near Je-sus. He loves you. When you life has gone a-stray,  
but God ne-ver let him sink. You may row with just one oar.

6

Why not let Him take your hand? He will lead you from your fear.  
God shows you a bet-ter way. He will guide and see you through.  
Je-sus helps you get a-shore. God will pull you from the brink.

9

Je - sus will save you. Reach out to Him. He is the light-house when all seems dim.

13

He's a bea - con in the night, call - ing you "Come to the light." He is a light-house.
