Life is great, I'm walking in the sun and
 everything is cool
 Yeah it's true, there's so much we can do
 It feels so right
 Yeah, it's all right

Maybe, I don't even try fearing what I'd find
 Guess I am a number on the line
 Could you please tell me why

Baby, I don't even wanna try fearing what I'd find
 Guess I am a number on the line
 Could you please tell me why we're
 on the same line and
 Fallin' behind
 Fallin' behind on life
