First system of musical notation, consisting of a grand staff with a treble clef on the upper staff and a bass clef on the lower staff. The key signature is three sharps (F#, C#, G#). The music features a rhythmic pattern of eighth and sixteenth notes in both hands.

Second system of musical notation, continuing the piece. It maintains the same key signature and rhythmic complexity as the first system.

Third system of musical notation, showing further development of the melodic and harmonic lines.

Fourth system of musical notation, featuring more intricate rhythmic patterns and some rests in the upper staff.

Fifth system of musical notation, with a notable change in the bass line towards the end of the system, including some chordal textures.

Sixth and final system of musical notation on this page, concluding with a final cadence in the bass line.

The first system of the piano score for 'Don't Stop The Music'. The right hand features a steady eighth-note melody in the treble clef. The left hand provides a harmonic accompaniment with chords and a single bass note in the bass clef.

The second system of the piano score. The right hand continues the eighth-note melody, while the left hand's accompaniment includes some sixteenth-note patterns.

The third system of the piano score, maintaining the same melodic and harmonic structure as the previous systems.

The fourth system of the piano score, concluding the instrumental adaptation.

This score is an adaptation for classic piano

Please don't stop the music (4x)

It's gettin late  
I'm making my way over to my favorite place  
I gotta get my body moving shake the stress away  
I wasn't looking for nobody when you looked my way  
Possible candidate (yeah)  
Who knew  
That you'd be up in here lookin like you do  
You're makin' stayin' over here impossible  
Baby I must say your aura is incredible  
If you dont have to go don't

Do you know what you started  
I just came here to party  
But now we're rockin on the dancefloor  
Acting naughty  
Your hands around my waist  
Just let the music play  
We're hand in hand  
Chest to chest  
And now we're face to face

I wanna take you away  
Lets escape into the music  
DJ let it play  
I just can't refuse it  
Like the way you do this  
Keep on rockin to it  
Please don't stop the  
Please don't stop the  
Please don't stop the music  
(Repeat)

Baby are you ready cause its getting close  
Don't you feel the passion ready to explode  
What goes on between us no one has to know  
This is a private show (oh)
