Verse 2:
 It all goes by so fast.
 How lovely you must be.
 Why you've reached the age at last
 That I was when your daddy lived with me.

Chorus 2:
 How I wish we could meet somewhere,
 Talk it through.
 There is so much I would say to you.
 There are others, I'm not alone,
 A younger brother you've never known
 And a baby girl who so reminds me of you,
 The child I never knew,
 My lullaby in blue.
